About Medoo

Medoo Medical is a high-tech enterprise who focuses in R&D, production and sales of advanced endovascular interventional medical devices. Founded in 2014, Medoo group is composed of Shenzhen Medoo Medical Tech. Co, Ltd, Shenzhen Medoo Medtech. Co, Ltd, Jiangsu Medoo Medical Equipment Tech. Co, Ltd. and Hongkong Medoo MedicalTech.Co,Ltd.

Medoo Partners have strong technical strength and strong support from Shenzhen Science and Technology Commission. Currently, Medoo has many core projects in the field of vascular intervention, severe heart failure and clinical surgery, including MeCross CTO high-performance semi-compliant pre dilatation balloon catheter, MeCross NC high-performance non-compliant post dilatation balloon catheter, MeCross PTA peripheral interventional balloon catheter, NeuCross neuro interventional balloon catheter, MeCross HP high-pressure balloon catheter, TAVI valve balloon catheter, Urinarystone extraction balloon catheter, Esophageal airway dilatation balloon catheter, ultrasonic scalpel, cardiac aid device, PCI accessory, etc.

Integrating the resources of clinical experts in cardiovascular intervention, scientists of Chinese Academy of Science and the R&D specialists on medical consumables of endovascular interventions, Medoo Medical has launched industry-university-research cooperation united with a number of universities and hospitals and established world-class R&D and production centers in Shenzhen and Jiangsu respectively. Medoo Medical has already passed BISO13485 certification (MD: 662153) and GMP certification of China. Its mainstream products have excellent performance, which approved by the European Union CE certification and China NMPA certification, welcomed by the customers all over the world. Medoo Medical not only carries out distribution business in the world with its own brand, but also provides professional OEM/ODM/CDMO production technical services for high-end vascular intervention medical device enterprises at home and abroad.

Culture of Medoo

Craftsmanship Spirit	Commitment to Quality	Innovation for the Future	Treasure the Life
Pursue excellence in technology, strive for perfection and develop top level products.	Strictly abide to laws and regulations, in order to ensure the health & safety of patients	Focus on the future life science and technology, create a vigorous Medoo brand	Improve patients' physical & mental health, care for human beings, contribute to our society

Goals of Medoo

- Develop Medoo Medical to the world's leading national high-end medical device brand
- Benefiting millions of patients with vascular diseases
- Pursue the harmony and unity of the enterprise, patients and society

TPU coating

PTFE coating

Nickel-titanium core

Product Features

- 01 Nickel-titanium core : Provides good support and excellent torsional rigidity
- 02 PTFE coating : The wavy surface design provides less friction for instrument exchange
- 03 Tip containing polymer with radiopaque agent + platinum-nickel spring : good radiographic effect, accurate positioning
- 04 Hydrophilic coating : The hydrophilic coating makes the surface smoother and greatly reduces damage to non-vascular cavities

PRODUCT PARAMETER

Specification : 0.021inch/0.025inch/0.028inch/0.032inch/0.035inch/0.038inch

Length : 150cm/260cm/450cm

Tip Design : Straight / Angled

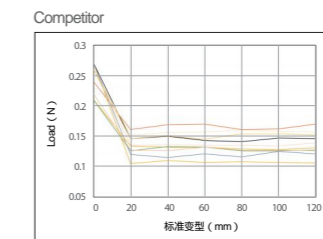

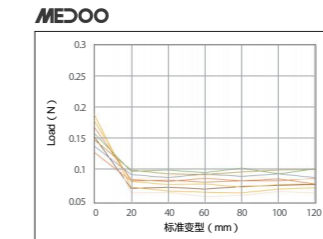

Product Advantages

- More rounded tip
- Smoother surface
- 72 models, more choices
- Striped pattern is designed to provide clear endoscopic visualization of wire movement

Comparison with other competitors

Mixed structure friction test

Torque ratio test

Tip Comparison
